

◆ Runners who did not check-in on Friday, October 27 or Saturday, October 28

Thank you for entering Yokohama Marathon 2017.

We will take the following measures for participation in Yokohama Marathon 2018, finisher medals, and other items. We appreciate your cooperation and understanding.

1. Participation in Yokohama Marathon 2018

The 2017 event was canceled due to an uncontrollable typhoon preventing 28,000 runners from participating in the race. The disappointment of runners who were looking forward to the event weighs on our minds.

We fervently hope that these runners will participate in the next Yokohama Marathon in 2018, so we will grant priority rights for entry (on a request basis for a charge).

Details will be decided at the Yokohama Marathon 2018 Organizing Committee to be held in January 2018. The decision will then be announced to runners via an official event webpage and email.

2. Finisher Medals

We regret having been unable to deliver the finisher medals commemorating runners' completion of Yokohama Marathon 2017.

If you participate in the next Yokohama Marathon in 2018, you will receive the medal along with a finisher medal for Yokohama Marathon 2018 when you finish the race.

Organizing staff are sincerely looking forward to handing finisher medals to you.

We will carefully store the medals until then.

3. Original Towels

Original Yokohama Marathon towels will be sent by mail as a commemorative item even to those who did not check-in for this year's race. However, the commemorative towels for participants will only be sent to runners who checked-in on the 27th (Fri) and 28th (Sat). We thank you for your understanding in this matter.

These items will be sent by mail so they will arrive before the end of November.
